Of Special Interest This Week

+ Reports carried by the FBIS Wire Service on USSR General Secretary Gorbachev's 10 April speech in Czechoslovakia were passed by the White House Situation Room to President Reagan's party in Los Angeles. The FBIS reports enabled the President to comment on Gorbachev's proposal on shorter range missiles in his address to the Los Angeles World Affairs Council. In addition, Gorbachev's speech was monitored by the FBIS satellite dish at Headquarters and fed over the TV grid for interested analysts.
